

1. When did you start working on your landscape?  
*2017*
2. What inspired/motivated you to re-do your landscape? How long did it take to complete your landscape?  
*Reduce the use of water and provide food for pollinators by planting appropriate plants*
3. Did you experience any set-backs or delays while working on your yard?  
*NO*
4. How would you describe your yard?  
*A place of haven*
5. Did you do it yourself, hire a professional, or a combination of both?  
*We did all the work ourselves!*
6. What type of plants did you use? Did you have a design plan in mind when choosing plants?  
*Native and pollinator plants.*
7. Did you use any rebates that the city offers? Did you take a landscaping class?  
*Yes, we used all the rebate we could get from the city, Water barrel, mulch, extra money for removal of grass - We did a lot of research before starting the landscape.*
8. Do you have background experience in landscaping?  
*Not professionally, more like a hobby*
9. Does your landscape use any pesticides? If the answer is no, how do you fight against pests?  
*NO, as of no we have had no issues with pests.*
10. How often do you water your yard? What system of irrigation do you use?  
*During the summer 1-2 time a week during the summer, depending on the temperature. System Netafim*
11. Does your landscape attract birds and/or beneficial insects? If so, what kind have you seen? What part of your landscape does wildlife seem the most attracted to?  
*Bee's, hummingbird, we have all kinds of wildlife due to diversity of our plants.*
12. Did you have a budget set? Were you able to stay within that budget or did you go over/under?  
*We had a budget of \$1500, plus the rebate from the city.*
13. How much maintenance does your yard need now vs. before when it was a lawn?  
*More maintained during the summer.*
14. Have you experienced any unforeseen issues with your remodeled yard?  
*NO*

15. Where did you get your plants?

*Dixon Lemuria nursery and Vacaville Morningsun Herb Farm*

16. Do you plan on expanding or making any more changes to your yard?

*It's always changing.*

17. Why was the change from a green lawn worth it to you?

*Saving water, and giving something back to nature*
